RESPONSE TO NOTICE OF
NON-COMPLIANT

October 6, 2005

Hon. Commissioner for Patents
and Trademarks
Washington, D.C.
20231

Reference is made to the Notice of Non-Compliant issued in the subject application.

The said Notice of Non-Compliant refers to the allegedly non-compliant amendments dated March 4, 2003 and June 19, 2003.

However, it is noted that the PTO rules pertaining to the manner of setting forth claims in an amendment was not enacted until October 21, 2004. In view thereof, it is clear that the amendments dated March 4, 2003 and June 19, 2003 were in accordance with then existing rules.

Therefore, it is believed that the Notice of Non-Compliant should be withdrawn.

Respectfully submitted,

Michael J. Striker
